100+ Writers & Editors

- A database on 100+ writers, editors, and quality check specialists across India.
- They are genre (blogs, website content, social media copy) experts and domain (subject matter/industry) experts.
- A technical writer does not write creative content or copy and vice-versa.

Storytellers | Legacy creators

Your brand needs to tell a story but you cannot say it yourself.

We'll do it for you!

**Blogs | Website |
Social Media**

Your life has been one hell of a ride. Your legacy needs to be verbalized.

We'll do it for you!

**Books (Co-authoring,
Ghostwriting)**

Branding is not just for your company. Want to be the Steve Jobs of *your* Apple?

We'll do it for you!

**Personal LinkedIn
profile makeovers |
Personal blogs**

Brochures | Company profiles | Company LinkedIn makeover | Brand tagline (copy)
Campaign tagline (copy) | App content | Corporate deck content | Etc...

The WHY

Ahem Ahem!

Content Garage's clientele

Content Garage

Savio Events & Exhibition
You imagine it, We make it

Chintan M. Shah

#MakingGreatContentHappen

* Unique Value Proposition

- ◉ We blend linguistic dynamics with communication correctness
- ◉ We understand creative briefs perfectly
- ◉ Our content is never, ever, ever copied or plagiarised
- ◉ We work with our clients until they are satisfied

Hence, you can and must confidently refer CONTENT GARRAGE!

Mediocre content will hurt your brand more than doing nothing at all. ~ Joe Pulizzi, Founder, Content
